

鍺 Ge32 Germanium

Germanium acid detox series

Modern lifestyle, despite its advantages, has changed our diet, environment and lifestyle, and thus created many modern diseases. Unhealthy lifestyle produce acid in our body (acidosis) and if our body cannot metabolize the acid, it will led to many kinds of disease.

Pain, soreness, aches and chronic diseases are the warning signs of acidosis and they can severely affect our quality of life. This shows that acidosis is the cause of all diseases and should not be ignored.

Contains germanium and various precious ingredients and essential oils. Through daily care and bath, it will enhance your well-being, relieve stress and help in the rejuvenation and regeneration.

**An acid detox a day
stay healthy all the way.**

Ge32 Beauty Soap

100g / Box

- Deep cleansing and brighten skin
- Eliminate fatigue and ease aches / pains
- Removes dead skin cells
